COACHBUILDER INFORMATION UPDATE

Date: January 17, 2013
Bulletin Number: XTS 14
Subject: Math Data Request

This bulletin is to inform you of a new General Motors process related to any future requests for Cadillac XTS math data.

Coachbuilders requesting XTS math data are now directed to the GM Upfitter Integration web site at www.gmupfitter.com. Click on the Math Data Request tab, and then select “Math Data Requests”, located under “What We Offer”. Fill out the required information and your request will be reviewed/fulfilled. CD-ROMs are shipped via FedEx. Please note that shipment to P.O. Boxes is not allowed.

If you have any questions or concerns, call Joe Pennington at (248) 808-0854.
